Graham Browns input to the tennis membership

1. We should not take our focus off trying to keep the members we have.

Adult(18+) Tennis Members: 2014 (Pre-club split) 177 Late 2017 141 March 2022: 96

The age group under threat from leaving = Adult membership 25-65), as it is £90 more expensive than MMTC, and other local cubs, Syston, Rothley, Gynsill

Where does Hamilton score highly ie unique features / positive tennis features

+ Courts are free to play on, 100% of the time

+ Elite Coach for 1:1 & match training

+ Team tennis available to almost all standards

+ Bar/Toilets on site, Car Parking

2. Pricing

For new members, eg a couple looking to join, you have to justify an extra £180. If all you want to do is play tennis, as an adult then there is a strong chance you won't choose Hamilton, in the same way if you want a drink & the price of beer is over 60% more expensive at the other pub in the village.

Facts:

1. To the outsider, HLTC are out of sink on Adult pricing(under 65),

2. As we came out of lockdown most clubs were having an increase in membership, as only golf/tennis was allowed, so new members were coming from other sports. HLTC did not receive this bounce.

3. Membership ideas:

One month free in April for new members - advertise this on SM, flyers, especially around the club & on new estates. Free month includes support from buddies, taking new members to club nights

Sponsorship of players - reduced fees for players over 30mins from the club, ie to encourage new players for our first teams, £70. They would not be regulars at the club, and have additional travel costs, so we have nothing to lose offering this.

Target P&P players with a special offer

Positive Word of Mouth is the best form of advertising, encourage existing members to bring potential new members in to play - authorised/recorded by a member of the TC.

If successful the existing members get $\pm 10-\pm 20$ put on their membership card.

Adult open Saturday afternoons - two dates planned in April & May

Racket demo open evening(to non-members too with a Mini tennis tournament (early May).

18-25yrs olds membership is £50. We should at least match MMTC at £40. We don't have anything to offer this group at the moment(ie no one to play with), ie virtually no one in this group. Half price offer at least, or 1+1 free.

£100 first year new membership offer (Age 25+)

Corporate rates - for larger local employers, eg Mars, Council, possibly link it in with a sponsorship package.
