About Us

The Hamilton is a vibrant tennis & social club located in Melton Mowbray, Leicestershire and has been established and active in the community since 1923. It has an excellent mix of six tennis courts, comprising of three savannah and three hard courts, all of which are floodlit. There is a licensed clubhouse on site with great facilities that overlook the tennis courts.

There is a strong social component to the clubhouse and members have access to a fully licensed bar and other amenities such as dart boards and pool tables. There are large screens for showing sporting events. The club also boasts a great function room for hire which caters for birthdays, receptions and other events.
